

GENERAL ADMISSIONS REQUIREMENTS:

1. Individuals must meet the Essential Function Requirements for the MLS Program. The Essential Functions represent the essential non-academic requirements of the program that an individual must master to successfully participate in the program. The Essential Function Requirements are provided on the program's website.
2. All applicants must complete a baccalaureate degree prior to the start of the clinical program **OR** be eligible for a baccalaureate degree at the completion of the clinical program through an affiliated university or college.
3. An applicant who is not a United States citizen must provide proof that he or she is authorized to work or study in the United States. The MLS Program and institution does not sponsor individuals during the clinical year.
4. Students accepted in the program are required to maintain health insurance during the clinical year.
5. Students accepted in the program will be subject to a drug screen and a criminal background check for Nebraska and any other state(s) of residence during the past seven years.
6. Non-degreed, non-affiliated applicants can only be considered if an opening is available after selections and offers are made. The applicant's university must agree to certain terms of cooperation.
